STANDARD DISCHARGE PACKAGE £4947

This is a 7 day package and is suitable for patients who have continuing care needs after hospital discharge.

This care package is delivered by our team of healthcare professionals in the comfort and convenience of your own home or chosen recovery destination.

We travel to you so you can focus on your recovery.

PHYSICIANS AVAILABLE AROUND THE CLOCK

For your peace of mind, medical advice and home visits from our physicians are available 24/7 should you have any concerns after your hospital discharge.

EXPERT PHYSIOTHERAPISTS

Our physiotherapists will carry out 3 therapy sessions to ensure that you are mobilising well. They will recommend exercises and work with you to help your recovery and rehabilitation.

DAILY VISITS BY NURSES

Our trained and experienced nurses will carry out daily visits to ensure your healing process is progressing well and caring for your wounds. Each visit lasts one hour.

LYMPHATIC DRAINAGE MASSAGE

We will arrange for you to have 1 lymphatic drainage massage, proven to help with pain, swelling and wound healing.

TESTS AND MEDICATIONS

We will provide you with 1 wound swab and an antibiotics prescription should this be required.

COMFORT AND CONVENIENCE

Upon hospital discharge the Hvit team will arrange private transportation to ensure you reach your chosen destination safely and comfortably.

* T&Cs apply. Please visit our website hvitclinic.com for more information.

**Our team will be in PPE for your safety whilst making home visits
